INTRODUCTION

1.1 Purpose of this Manual

The purpose of this manual is to define the policies of New Jersey Al-Anon Assembly, Inc. New Jersey Al-Anon Assembly, Inc. is referred to in this manual as “NJ Al-Anon Inc.” NJ Al-Anon Inc. is a nonprofit corporation whose function is to provide a structure for Al-Anon family groups in New Jersey to accomplish their objectives as described in this manual and in the Al-Anon/Alateen Service Manual (the “Service Manual”), which is provided by the World Service Office of Al-Anon Family Group Headquarters, Inc. (the “World Service Office” or “WSO”). These objectives are accomplished by NJ Al-Anon Inc. through certain related organizations and processes, which are collectively referred to in this manual as the “NJ Assembly.” These policies are a compilation of materials taken from the Service Manual, the Bylaws of NJ Al-Anon Inc., and other materials as referenced herein. The organization of this manual is as follows:

1.2 How to use this Manual

The manual is intended to familiarize the group representatives, district representatives, officers and coordinators (as defined in this manual) with the structure of NJ Al-Anon Inc. and the NJ Assembly and the policies governing them. This manual is intended to supplement the Service Manual and the Al-Anon Guidelines with information that is specific to New Jersey. Section 2 of this manual outlines the specific structure in New Jersey and how it is in accordance with the Service Manual. Section Three outlines the specific policies that govern NJ Al-Anon Inc. and the NJ Assembly. Since those policies follow the structure of the NJ Assembly, an understanding of the material in Section 2 will be useful. Finally, the Appendix contains documents specific to NJ Al-Anon Inc. and the NJ Assembly such as the Bylaws and a list of districts and the towns contained in each.

Given this information, here’s how the manual can be helpful. As a group representative at a meeting of the members of NJ Al-Anon Inc. and the NJ Assembly you see an item on the agenda that may come up for a vote. You may use Section 2 to see how the issue fits into the overall structure of the NJ Assembly and **then look at sections 2, 3 and 4** to see if there has been any discussion on this item in the past. You might also consult the appendix to look at the complete copy of the Bylaws to see if it is addressed there. Finally, you can check the Service Manual and Al-Anon Guidelines to see what the World Service Office says on the matter. Having done this research, you now feel confident to make an informed decision and engage in any discussion on the topic. In this way you have used the tools available to you to feel comfortable about the decisions the NJ Assembly makes.

1.3 Al-Anon Family Groups

The members of NJ Al-Anon Inc. and the NJ Assembly are Al-Anon Family Groups (which include Al-Anon for younger members, or Alateen) that are registered with the WSO (individually, a “Group” and, collectively, the “Groups”). Anyone who feels his or her personal life is or has been affected by contact with a problem drinker is eligible for membership in the Al-Anon Family Groups. Membership in Al-Anon Family Groups is generally demonstrated by regular attendance at meetings of Groups which are

members of the NJ Assembly.

All other organizations or committees listed in this manual are service arms that support the Groups and provide a voice and vote at the World Service Conference of the Al-Anon Family Group Headquarters, Inc. This is accomplished by a meeting of the various Group representatives (who are elected by the members of each Group) (the “GRs”) to communicate the needs and will of their respective Groups. This process is called an assembly, and the NJ Assembly supports the efficient execution of that process. Thus, the primary purpose of the NJ Assembly is to provide the communications path between the Groups and the World Service Office. In addition, the Assembly organizes and supports service projects and other functions as directed by the Groups.

SECTION 2

STRUCTURE OF AL-ANON IN NEW JERSEY

2.1 Overview

As previously mentioned, the members of NJ Al-Anon Inc. and the NJ Assembly are the Groups. NJ Al-Anon Inc. is a nonprofit corporation formed to provide the Groups with the structure to accomplish their objectives. The NJ Assembly is the means by which these objectives are accomplished. As a corporate entity, NJ Al-Anon Inc. has a Board of Trustees, which are elected by the Groups. The Trustees are also Officers of NJ Al-Anon Inc. and of the NJ Assembly. The NJ Assembly provides the communications link between the Groups and the World Service Office.

Consistent with the Service Manual, the Groups in the NJ Assembly comprise an area (the “Area”), which is represented by the Delegate (described later in this manual) at the annual World Service Conference. In addition, the Groups are geographically arranged into districts. The representative of each district is appropriately named a DR and is elected by the GRs in a district.

The DRs, when assembled, are part of the Area World Service Committee (the “Area World Service Committee” or the “AWSC”). DRs, who are familiar with the needs of the Groups and the current goals of WSO, meet to establish the agenda for each meeting of the NJ Assembly. The AWSC is one of the committees formed to help achieve the goals of the NJ Assembly. Members of the AWSC also include Coordinators, Liaisons, and Officers.. The Coordinators each handle a specific subject area, such as literature, and work with the World Service Office to keep the Groups informed. In addition, the NJ Assembly has liaisons that represent each of the other service arms operating in the state.

The New Jersey has a number of service arms. Each service arm is a separate organization with its own structure and mission that supports the Groups.

2.2 NJ Al-Anon Inc.

In March of 1997, the NJ Assembly formed NJ Al-Anon Inc. under the laws of the State of New Jersey. NJ Al-Anon Inc. is a nonprofit membership corporation, with the Groups being the members. The Groups elect the Board of Trustees of NJ Al-Anon Inc. The trustees are also officers of NJ-Al-Anon Inc., and

have such other rights and duties with respect to NJ Al-Anon Inc. as are described in the Bylaws. The business activity of NJ Al-Anon Inc. is performed by the NJ Assembly. The officers of NJ Al-Anon Inc. attend the AWSC meeting with the DRs, coordinators, liaisons, and Delegates and other AWSC members and the votes of each have equal weight.

All policies of NJ Al-Anon Inc. are based on the Service Manual (as may be amended from time to time) and such other policies and practices which may be approved by the Board of Trustees of NJ Al-Anon Inc. and the GRs at a meeting of the NJ Assembly, subject to the provisions of the Certificate of Incorporation, the Bylaws and applicable laws, rules and regulations.

Modifications:

11/2001 – Motion: Produce a policy booklet that would contain by laws and all current Assembly policies. The Assembly Officers will review how to produce this booklet and keep it updated.

2.3 The NJ Assembly

In New Jersey, only the members of the NJ Assembly can form policy for internal operations unless specific limited authority is given to the AWSC by the NJ Assembly. The NJ Assembly has been organized to provide support and guidance to the Groups.

The members of the NJ Assembly are the Groups. All of these functions are commonly referred to as the NJ Assembly, even though many specific activities may be performed by the AWSC.

Policy formation in Al-Anon is based on two principles. First, the basic unit of Al-Anon is the Al-Anon groups. The remaining structure of Al-Anon is in place only to be of service to and support for the Al-Anon groups. The second principle is that all policy is formed using a group conscience process as described in Tradition Two of the Twelve Traditions of Al-Anon. In this way, the groups speak at their assembly through their GRs and the Area speaks at the World Service Conference through its Delegate.

The NJ Assembly functions primarily through the Area World Service Committee, which will be described in the following section.
